The Board may, by resolution decide, either generally or in any particular case or cases, that a facsimile of the Seal may be printed on any certificate or that any signatures on any share certificate or debenture certificate need not be autographic but may be applied to such certificate by some mechanical means or may be printed on it or that the certificate need not be signed by any person. The provisions of this Article shall also apply to debentures and certificates of debenture stocks and any other securities comprised in the capital of the Company and that with all the necessary modifications and adaptations and subject always to the Trust Deed or other instrument constituting such securities, if any.

17. The Company shall, within two months after the allotment of any of its shares, and within two months after the lodgment for registration of the transfer of any such shares, complete and have ready for delivery the certificates of all such shares.

The sum of One Shilling shall be paid to the Company for every certificate issued under this clause.
20. The certificate for shares registered in the names of two or more persons may be delivered to any of the persons named on the Register.

CALLS ON SHARES

21. The Directors may from time to time make such calls as they think fit upon Members in respect of all moneys unpaid on the shares held by them respectively, and not by the conditions of issue thereof made payable at fixed times, and each Member shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors.
22. A call may be made payable by instalments and shall be deemed to have been made when the resolution of the Directors authorising such call was passed.
23. Seven days' notice of any call shall be given, specifying the time and place of payment, and to whom such call shall be paid. Before the time for payment, the Directors may, by notice in writing to the Members, revoke the call or extend the time for payment.
24. If by the terms of issue of any share or otherwise any amount is made payable at any fixed time or by instalments at fixed times, whether on account of the amount of the share or by way of premium, every such amount or instalment shall be payable as if it were a call duly made by the Directors of which due notice had been given, and all the provisions herein contained in respect of calls shall relate to such amount or instalment accordingly.

25. If the sum payable in respect of any call or instalment be not paid on or before the day appointed for payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall be due, shall pay interest for the same at the rate of £10 per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, or such lesser rate as the Directors may determine, but the Directors shall be at liberty to waive payment of such interest either wholly or in part.
26. The Directors may, if they think fit, receive from any Member willing to advance the same, all or any part of the money due upon the shares held by him beyond the sums actually called, and upon the amount so paid or satisfied in advance, or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which such advance has been made, the Company may pay interest at such rate as the Member paying such sum in advance and the Directors agree upon, and the Directors may at any time repay the amount so advanced if they think fit.

FORFEITURE AND LIEN

27. If any Member fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid serve a notice on such Member requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.
28. The notice shall name a day (not being less than fourteen days from the date of the notice) and a place or places on and at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.
29. If the requirements of any such notice as aforesaid are not complied with, any shares in respect of which such notice has been given may, at any time thereafter, before payment of all calls or instalments, interest and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture.

30. Any shares so forfeited shall be deemed to be the property of the Company, and the Directors may sell, re-allot or otherwise dispose of the same in such manner as they think fit.
31. The Directors may at any time before any shares so forfeited shall have been cancelled, sold, re-allotted or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.
32. Any person whose shares have been forfeited shall remain liable to pay, and shall forthwith pay to the Company all calls, instalments, interest and expenses owing upon or in respect of such shares at the time of forfeiture, together with interest thereon from the time of forfeiture until payment, at the rate of £10 per cent. per annum and without any deduction for the value of the share at the time of forfeiture. The Directors may enforce the payment of such moneys or any part thereof if they think fit, but shall not be under any obligation so to do. Save as aforesaid and subject to any express provisions in those Articles or the Act to the contrary, the forfeiture of a share shall involve the extinction at the time of forfeiture of all interest in and all claims and demands against the Company of or by the former holder of such share in respect thereof and all other rights and liabilities incidental to the share as between such former holder and the Company.
33. A statutory declaration that the declarant is a Director of the Company and that a share has been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration and the receipt of the Company for the consideration (if any) given for the share on the re-allotment or re-issue thereof shall constitute a good title to the share, and the person to whom the share is re-allotted or re-issued shall be registered as the holder of the share and his title to the share shall not be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment or re-issue of the share.
34. The Company shall have a first and paramount lien upon all the shares (other than fully paid up shares) registered in the name of each Member, whether solely or jointly with others, and upon the proceeds of sale thereof for his debts, liabilities and engagements solely or jointly with any other persons to or with the Company whether the period for the payment, fulfilment or discharge thereof shall have actually arrived or not. Such lien shall extend to all dividends from time to time declared in respect of such shares. Unless otherwise agreed the

registration of a transfer of any shares shall operate as a waiver of the Company's lien (if any) upon such shares.

35. For the purpose of enforcing such lien the Directors may sell the shares subject thereto in such manner as they think fit; but no sale shall be made until such period as aforesaid shall have arrived and until notice in writing of the intention to sell shall have been served on such Member, or upon the persons entitled thereto on his death or bankruptcy (as the case may be), and default shall have been made by him or them in the payment, fulfilment or discharge of such debts, liabilities or engagements for seven days after such notice.
36. The net proceeds of any such sale after payment of the costs of such sale shall be applied in or towards satisfaction of the debts, liabilities or engagements of such former Member in respect of which the lien exists, and the residue (if any) paid to him or to the persons entitled thereto on his death or bankruptcy (as the case may be).
37. Upon any sale for enforcing a lien in purported exercise of the powers herein before given, the Directors may nominate some person to execute a transfer of the shares sold in the name and on behalf of the registered holder or his personal representatives and may cause the purchaser's name to be entered in the Register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings or to the application of the purchase money, and after his name has been entered in the Register in respect of such shares, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

TRANSFER AND TRANSMISSION OF SHARES

38. The instrument of transfer of any share shall be in writing in the usual common form and shall be signed by the transferor and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect thereof.
39. The Directors may decline to register any transfer of shares upon which the Company has a lien, and may refuse to register a transfer to a transferee of whom they do not approve. If the Directors refuse to register a transfer, they shall within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

- 39A. INDEMNITY

128. Subject to the provisions of the Act every Director, Manager, Secretary and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses and expenses which any such Director, Manager, Secretary or other officer may incur or become liable to by reason of any contract entered into or act or deed done by him as such officer or in any way in the discharge of his duties, or in defending any proceedings whether civil or criminal, brought against him in respect of anything done or omitted by him as such officer in which judgement is given in his favour or in which he is acquitted or in connection with any application to the Court in which relief is granted to him.

CAPITALISATION OF PROFITS

129. The Directors may with the authority of an ordinary resolution of the Company:
- (a) Subject as hereinafter provided, resolve to capitalise any undivided profits of the Company not required for paying any preferential dividend (whether or not they are available for distribution) or any sum standing to the credit of the Company's share premium account or capital redemption reserve;
 - (b) Appropriate the sum resolved to be capitalised to the Members who would have been entitled to it if it were distributed by way of dividend and in the same proportions and apply such sum on their behalf either in or towards paying up the amounts, if any, for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to that sum, and allot the shares or debentures credited as fully paid to those Members, or as they may direct, in those proportions, or partly in one way and partly in the other; but the share premium account, the capital redemption reserve, and any profits which are not available for distribution may, for

the purposes of this Article, only be applied in paying up unissued shares to be allotted to Members credited as fully paid;

- (c) Make such provision by the issue of fractional certificates or by payment in cash or otherwise as they determine in the case of shares or debentures becoming distributable under this Article in fractions; and
- (d) Authorise any person to enter on behalf of all the members concerned into an agreement with the Company providing for the allotment to them respectively, credited as full paid, of any shares or debentures to which they are entitled upon such capitalisation, any agreement made under such authority being binding on all such members.

130. Subject to the provisions of the Act, the Directors may pay interim dividends if it appears to them that they are justified by the profits of the Company available for distribution.

131. The Directors shall have sole discretion to determine whether any interim dividend in specie is payable. Where any difficulty arises in regard to the distribution, the Directors shall have the sole discretion to settle the same and in particular may issue fractional certificates and fix the value for the distribution of assets and may determine that cash be paid to any member upon the footing of the value so fixed in order to adjust the rights of members and may vest any assets in trustees.
